## **Increase in Service Rates - Complete Stevedoring and Freight Services**

To: ASC Liner Services  
Attn: Lars Vetterlein

Christmas Island 3<sup>rd</sup> March 2020

Dear Lars,

Please be advised that Complete Stevedoring and Freight Services here on Christmas Island have recently reviewed all current charges for stevedoring cost and effectively from Voyage BK 2004 new rates will apply.

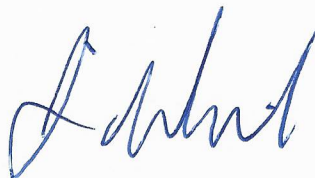

New increase of rates will be at 17.5%.

The increase of rates has come about due to increases of employee wages over the years, training of employees, CPI increases, fuel price increase and weekend operations. In the past CSFS has absorb all the mentioned costs without on charging or increasing rates over this time, however, to maintain a sustainable viable long-term stevedoring service to the Christmas Island community we need to pass these costs on.

Complete Stevedoring and Freight Services remain committed to providing a safe, efficient stevedoring service to ASC Liner Services, Zentner Shipping and the community of Christmas Island.

COMPLETE  
STEVEDORING  
& FREIGHT SERVICES

Kind Regards,

**Gavin Wilkes**
